

# TRUCKERS' DOWNTIME PROTECTION PLAN

with Roadside Assistance

## INSURING WHAT MATTERS MOST TO YOUR BUSINESS AND FAMILY

You don't have to be down just because your truck is. National Truck League's Downtime coverage pays a weekly income if your truck is in the shop due to an accident. If your truck is written off or stolen, you will receive a lump sum payout to cover your income during this uncertain time.

This plan also provides other valuable features such as towing and emergency roadside assistance. Coverage is available for multiple drivers and multiple trucks.

**Weekly benefits from \$500-\$850/week.**

**\$15,000 loss of life benefit due to motor vehicle accident.**

**Up to \$1,500 toward the cost of towing if the truck is unable to proceed under its own power as a result of an accident.**

**Up to \$200 per service call for emergency road services.**

**Up to \$500 per towing call if the truck is unable to proceed under its own power as a result of a mechanical breakdown.**

**Optional trailer coverage is available.**

Talk to one of our licensed Insurance Protection Specialists today. They will help you get the right coverage so that your business and family are protected.

Note: Please review policy details with your NTL Representative for benefit exclusions and limitations.
